

Devin O'Hara resides in Schomberg, Ontario where he helps operate Dandyland Holsteins along with his family. Dandyland Holsteins is a Master Breeder herd that milks 80 Holsteins in a free stall facility with a focus on type and longevity. Upon graduation from the University of Guelph, Ridgetown Campus with a diploma in agriculture, Devin became a Holstein Canada classifier for 7 years before returning to his home farm in 2016. Having competed and succeeding at the highest level in 4-H, Devin enjoys using his experiences to help 4-H members. Devin has had the opportunity to officiate at 4-H shows and Breeders Cups throughout Ontario and looks forward to seeing where his judging career takes him in the future.
