Awarding of Scholarships

Eight \$1500 scholarships will be awarded to students enrolled at a College, University Degree, Diploma or Masters Program. In evaluating the applications, consideration will be given to education, farm or agricultural background, and involvement in community/university activities. Personal development, leadership, future goals and references will influence the selection committee's choices in the event of a close decision.

An official announcement of the awards will appear in the The Link Magazine (the official publication for Holstein Ontario).
