

Curtis McNeil along with his parents Glen and Vanda operate Heather Holme Holsteins in Goderich Ontario. Heather Holme is a three-time Master Breeder Herd that consists of 60 milking cows. Curtis has always shown a keen interest in showing which lead him to work as a cattle fitter before he returned to his home farm. His travels took him to eight different countries where he helped breeders prepare their cattle to show. Curtis was the first person to be Champion show person at the TD Classic 4-H Dairy Classic and the President's Cup at the Royal Agricultural Winter Fair in the same year. Having competed and succeeded at the highest level in 4-H, Curtis has used these experiences to help 4-H members in his area as a 4-H leader and serving on many committees. Curtis has judged many 4-H shows which have included Ancaster Fair and the Lucknow 4-H Dairy Invitational show. Furthermore, he has had the opportunity to judge Breeders Cups throughout Ontario.
